FOREWORD

Four swiftly changing years find a bewildered but determined Senior Class leaving the halls of Cumberland High. We had our amusing moments, but moments of seriousness found us eager to learn, to absorb to the fullest dregs the cup of knowledge.

Now we leave confident in our knowledge, confident in our ability to add to the world's storehouse of ideas, determined that our world shall be a better one for posterity.

It is hard to leave all the friends, both faculty and students, that we have made in the past four years. To keep alive our deeds for the future classes, the Senior Class of C. T. H. S. proudly presents this their annual of 1946.

DEDICATION

It is with pride that we dedicate this volume of the Cumberlander to all those men who served and gave their lives for their country. Our high school along with thousands of other high schools gave the finest of their manhood unselfishly to preserve the way of life that they have for one hundred and seventy years held dear. Their valiant deeds will be forever in our minds and hearts.

TO THE STAFF OF THE YEARBOOK OF 1946

We wish you success in all your efforts to edit a book worthy of the school.

It is the ambition of the School Board to keep the school up to the high standards for which it was instituted, so that each year it may send out a class better prepared to take a place in the activities of world affairs.

To this end we pledge our continued support and cooperation.

SENIOR HISTORY

In the past four years we seniors have gathered much knowledge in these halls of Cumberland; different kinds of knowledge—book knowledge of English, History, and Science, knowledge of cooperating, and citizenship.

The first year we elected no officers but were normally active for a freshman class. We had several sweater hops as our social function. Organizations were increased largely due to our interest. Many went out for the band, football, basketball, the dramatic club and the Girl's Chorus.

So our second year rolled around. This year we elected as officers Mary Lorinchack, Joe Katusa, Phyllis Andrews and Kay Sudar. Also we had our first big dance-a spring semi-formal. It was at a time when we could make use of our class flower—the lilac as a decoration.

We kept these same officers our junior year and also the girls kept their traditional winning of the intramural basketball championship both their sophomore and junior and senior years. We had another big dance this year too—just as thrilling.

This last year our class officers are Richard Urda, Charles Cielensky, Phyllis Andrews, and Arthur Biddle. Our class sponsors are Miss Mabel Reigle and Mr. Richard Hathaway.

The football and basketball teams have been good—the outstanding boys are Zadel, Allison, Urda, Masuga, Bankovich, Latsnic, and Ward. Basketball had able assistance from Wilson, Severeni, and Lasko. Other students have joined the many other organizations.

In these past four years we have changed from young gangling teensters to youths ready and willing to try their hands at the business of the world.

SENIOR PROPHECY

It was an ominous night filled with rumbling thunder and flashing lightning as I worked on my atomic experiments. I had a feeling of the supernatural as I pondered my latest formula. Slowly and unrelentingly I poured the various chemicals I needed to complete the experiment. Suddenly there was a blinding flash. My eyes seemed to see a million blinding colors. The blinding light passed and a ghostly shape took form as I gazed utterly surprised. The image spoke in a voice unlike any I had ever heard.

"I am here to tell you anything you wish to know."

"I—I—beg your pardon," my mind refusing to grasp the true meaning.

The apparition repeated the statement.

"Could you tell me what has happened to the class of 1946? What are they doing? Could you tell me?" I asked hoarsely.

Slowly the tale unfolded and I heard:

Dorothy Alderson still retains her quiet serenity after ten years of worldly experience.

Carl Allison has settled down with Wilma and is raising his own little football team.

Phyllis Andrew's blonde lovliness has left its mark on handsome men's hearts by the score. This year she has chosen one particular male as her own.

After a lifelong friendship between George and Elmer, the Baily boys finally broke up.

Helen Baily is now editor of the Baily-Bishop Daily Blah after ten years of journalistic adventures.

George Bankovich has finally reached the top of the Colgate Laugh Meter after ten years of diligent study.

Catherine and Helen Buljat have bought a little bungalow on the outskirts of Carmichaels. In their sunbonnets they putter around in their vegetable gardens.

Mary Lou Burke and Russ have been voted the most typical married couple of '56.

Don Campbell, the tallest trumpet player in captivity, can now be seen nightly with his 50 piece band in the new, lovely, the elite—Nemacolin Grille.

Mary Cerjanec and her car can be seen nightly at Schraders.

Charles Cielensky has taken over Arthur Murray's Salon. He not only breaks them in the art of dancing, but also in the art of loving.

Edna Clark has hooked a traveling salesman, and they are raising future Fuller brushmen.

Ruth Clifford is singing over WWVA with Little Slim and his Crucible Wildcats.

JUNIOR HISTORY

Thinking back over a period of three short years, we find it odd in recalling the many memories shared. Memories of happiness, sorrow, excitement, joy, and even some embarrassment.

Our first really pleasant memory was the Junior Dance at Christmas time. With the music of Sammy Castle's Orchestra, we swirled around the dance floor of a picturesque gym, fittingly decorated with pine, tinsel, lights, and, yes, even mistletoe. You could hear the merry tinkly of laughter as a festively dressed crowd spent a thoroughly enjoyable evening.

Remember how excited we always grew near the end of the fourth quarter of the football games? How pleased we were when many of our Junior boys hit the first string! Before we could catch our breath, basketball season began. Remember how proud we were when seven juniors were picked? Novotny, Rutter, Mason, Tarlosky, Fartely, Palko, and Lucas proved that the juniors really had the stuff.

Our class, along with others, had one misfortune, that of being caught in the chaos of World War II. None of us shall forget the disappointment it brought upon us by limiting our social lives, activities, and drafting of the older boys.

Myriads of memories, unmentioned here, will not be forgotten. They will be in our memories for a long, long time.

As we look forward to our senior year, we wish to add a post script to our history and extend our sincere best wishes to the Seniors whom we have known and liked so well. They will be greatly missed by all.

SOPHOMORE HISTORY

1946 found the former Freshman class of '45 very much changed. We were more accustomed to high school, and were ready to take part in more school activities.

The class officers chosen were Dominick Christy, Charles Koral, Evelyn Bodovinac, and Jack Hartley. Miss Wilson was chosen class sponsor. We chose green and white for colors, a gardenia for the flower, and "We can and we will" for the motto.

In football we were represented by Pevarnik, Markiewich, Anderson, and Waine. Although the Sophomores never made the first team, they helped out in practices.

The Sophomores were confined to the Junior Varsity in basketball, being represented by Christy and Mt. Joy. Since the Junior Varsity did better than the Varsity as far as winning games, it might be well to give the underclassmen some credit.

The Sophomores were well represented in the other clubs and organizations around school.

We believe that all the Sophomores have enjoyed this term and are looking forward to the next term when they can contribute more to our high school.

We extend to the graduating class our best wishes and we hope they have the best of luck in the future.

FRESHMAN HISTORY

There we were—entering this great turbulent world of high school, acting as if we knew, but really trying to find out what was going on about us.

On the first day of school we were expecting to be initiated in full. It started that way, but after a few inevitable dunkings and some "f's" lipsticked on our foreheads, the startling announcement came, that the freshmen were not to be molested further by upperclassmen. Then and there a triumphant look came over our faces.

That look was ever so slightly suppressed when the rumor was heard that there was to be a Freshman Initiation Day! Why, they couldn't do that to us! I'm afraid we underestimated their power for it was so and the date was set for September 21. (Our Day of Doom.)

We were presented with this set of rules: Girls dress as boys;
Boys dress as girls
All wear signs advertising the Masontown football game.

It was honestly hard to tell whether you were winking at a girl or whistling at a boy.

Somehow we struggled through and to look at the innocent faces of the upper-classmen (how I dislike the word) you wouldn't have believed they could do the things that followed:

We marched downtown with part of the band, the way the people gaped you would have thought some celebrity was passing through. After some very good pictures were taken, we paraded across the stage single file.

Prizes were awarded to: Alma Lee—girl dressed as boy; Joseph Barish—boy dressed as girl.

For signs: Rose Vrona—clown sign; Charles Bizub—pig sign.

Will we ever live it down? I think so for already we have taken a very active part in school life.

Our outstanding boys in basketball are: Cihon, Clarchick, Korcheck, Valla, English, Dowlin, Cole.

There have been quite a few good freshman classes at Cumberland, but beyond a shadow of a doubt, we are the best yet.

BASKETBALL

The basketball team of the past season under the coaching of Mr. Cree wasn't as successful as the team of 1945 in which the Mikes won 20 out of 22. This season the team faced a twenty-one game schedule, winning 11 games and losing 10.

The Blue and Gold team was led by Negria, veteran forward, top scorer of the team and captain. The five top scorers of the team were Negria, Mason, Tarlosky, Novotny, and Severini, respectively

The Mikes opened their season taking Brownsville by the score of 40-36. The Mikes, playing on Pt. Marian's huge floor and losing 33-22, quickly regained themselves in the next encounter with the Pointers by winning 23-17.

The Mikes opened their first league competition battling a determined Ellsworth quintet who fought stubbornly to the end, edging the Mikes out 25-23. They got "back on the ball" downing Jefferson 40-15 on the home floor.

After suffering a set back by Waynesburg, the Mikes journeyed hopefully to Centerville only to have their hopes smashed 62-36.

In a thrilling over-time period the Mikes saw victory only to have it snatched away from them by E. Bethlehem by the score of 34-33.

The next few weeks saw the Mikes gaining renewed confidence by winning 5 consecutive games. N. B. Vernon, E. Pike Run, W. Bethlehem, Bentlyville, and Ellsworth fell before the Mikes' terrific onslaught. In those five encounters the Mikes scored a remarkable 224 points to their opponents' 150.

After tasting the fruits of victory the Mikes suffered a deep disillusionment when they were hopelessly outclassed by the section 2 champs, Waynesburg, by an overwhelming score of 52-17.

In a nip-and-tuck game with Jefferson, we went home victorious 25-23, only to find Centerville's Wildcats with open arms sweeping a tight game 45-31, before a record-breaking crowd at the Cumberland gym.

Cumberland felled E. Beth 47-31, only to lose a closely contested game with N. Belle Vernon 31-26. The Mikes then were tripped by E. Pike Run 23-18.

Cumberland, ringing down the curtain on the '46 season, lost to Bentlyville in a disheartened attempt at victory 27-26.

Lost by graduation are Severini, Negria, Lasko, Campbell, Wilson, Flenniken, and Kartley. Mr. Cree will have Novotny, Mason, Tarlosky, Lucas, Palko, and Fartely, to build up a winning team for the coming year.

The "Mikes" were coached by Mr. Cree, who during the years of 1934-42 as assistant coach to Mr. Venen, proved his ability in helping produce championship teams. Mr. Cree is now being ably assisted by Mr. Hathaway and Mr. Siko, both of whom were former stars on the blue and gold eleven.

The T-formation which was used in the preceding gridiron season, was handled very capably by the "Mikes". Also, there were variations of the single wing devised by Mr. Cree.

A glance at the season's scores shows the "Mikes" winning four, losing five, and tying one game. The "Mikes" gained confidence in their opening game only to have it shattered as they tied with East Bethlehem. In the two following encounters with Masontown and Trinity, the "Mikes" suffered defeat, due to injuries received by the majority of the team in the preceding games. Again the "Mikes" sensed victory with a defeat over Mapletown. Then again, with the return of Urda, Ward, Warrick, and Latsnic, rivalry was renewed with Waynesburg and Jefferson, only to let both teams march away with the victory. By defeating Georges and Centerville the "Mikes" were able to round out their season victoriously.

Zadel, fullback, and Curtis, right halfback, ranked highest in scoring 24 points each; Bishop came second with 15; Latsnic, 6; Rutter, 6; Jackson, 6; Warrick, 3; Urda, 2; and Masuga, 1.

Members of the squad who are graduating are: Urda, Zadel, Baily, Bankovich, Masuga, Brody, Ward, Allison, Latsnic, and Buljat. Adamson entered the service before the beginning of the second semester. Zadel, Urda, and Allison, co-captains, saw action for three years on the blue and gold eleven.

Although the majority of the team will be lost by graduation, rival elevens will still face the stiff competition of experienced underclassmen who will be returning next year.

BASEBALL—1945

After a period of three years without baseball in Cumberland High School, the Mikes under the splendid coaching of Mr. Cree fielded a very successful team. The Mikes won eight games of a ten game schedule, thus taking section XI with no defeats.

The team consisting of E. Ralko, R. Palcko, S. Bialko, J. Bialko, J. Christy, E. Warrick, H. Wilson, V. Rumancik, P. Negria, entered the W. P. I. A. L. play offs and drew Charleroi, section VII champ's on Washington's field.

The game was to be a pitching duel between Negria of the Mikes, and Bakatis of Charleroi, who at that time were burning up the league with their gallant work on the mound. But the next morning's papers told a different story and a sad story to the students of Cumberland because this is what we read:

Bunching their hits and taking advantage of the erratic play of their Greene county opponents, the Charleroi high school nine defeated Carmichaels, 11-1, yesterday afternoon at Washington in the WPIAL eliminations.

Pete Bakatits, Cougar hurler, held the Mikes to five hits and whiffed seven. Feature of the contest was a spectacular diving catch of a fly ball hit into left field by Harold Wilson of the Mikes.

Mr. Cree has lost by graduation Tarlosky, Ralko, Woznial, Rumancik, and the Bialko brothers. He is left with six first stringers to build a fine team again this year.

Officers are Florence Bodish, president; Catherine Bystry, vice-president; Martin Folan, secretary; and Ralph Curtis, treasurer.

LOOKING BACK

Several years ago Cumberland turned out some very good teams in football, basketball, baseball, and wrestling.

From 1928 through, you'll see many familiar names; such as, Herbik, Tekavec, Herbik, Moncholovich, and more Herbik. Those Herbik boys really got around.

Back in '28 (not 1828), Cumberland smeared Jefferson 30-0 in football (them were the days). Stars that day were Dick Hathaway and Al Cree. Basketball saw them losing to Central Catholic High School 23-15 in the semi-finals of the Waynesburg College Tournament. Hathaway and Cree were the Bruce and Ralko of their day. They played Massanuten Military Academy, losing 36-31, and beat East Pike Run 37-6.

In 1937 the football team scored 144 points against their opponents' 44. '34 saw Gil Davies win the 135 pound class wrestling tournament of the W. P. I. A. L.

Also in '38, John Herbik made 137 field goals and 70 fouls for 344 points. Wouldn't he look good now on the team?

The Girls' C Club held their annual Play Day. Girls from Waynesburg, Mapletown, East Beth, Allepo, and Cumberland participated.

1939 found Cumberland sniffing Jefferson 1-0 in football. Donora fell before the Mikes 28-25, 41-22 in basketball. That Herbik boy made 261 points that year.

In 1940 Tekavec scored 256 points to lead the county, and 135 points to lead their section XXIII. They finished second in the section with 14 wins, 5 losses.

In 1945, a basketball team which will long be remembered as one of the greats, won 20 out of 22, outscoring the opposition 1,010 to 553, and beating Centerville 50-25, 73-41. To prove what a finely balanced team they were, individual scoring was high for all members of the quintet. Scoring was as follows: Bruce 214, Ralko 170, Lorinchack 165, Rumancik 155, and Markulike 101.

HUMOR

Magistrate: "You here again?"
Don C.: "Yes, your honor."
Magistrate: "What brought you here."
Don C.: "Two policemen."
Magistrate: "I know that. Drunk again, I suppose?"
Don C.: "Yes, your honor, both of them."

Gregg W.: "Doesn't that mule ever kick you?"
Ray G.: "No, but he frequently kicks the place where I recently was."

Thweet young thing: "I want thum adhethive plathter."
Druggist: "What thickness."
Thweet young thing: "Don't mock me, thir."

Richard Y.: "What would you do if you suddenly got a letter from the FBI?'
Steve M.: "I'd finish reading it on the train."

Richard U.: "Going my way, Babe?"
Babe: "By dear sir, I'll have you know that a public street corner is no place to speak to a strange girl who lives at 215 Central Park. Phone 3-4009."

A nut was given a telephone book to read and after a day or two he emerged from his padded cell and said, "I liked it a lot; it didn't have much of a plot, but, gad, what a cast!"

The teacher was weighing the children for a physical examination.
"Look," said Jimmie to his chum, "I weigh 4 pounds more than you."
"No wonder," answered his chum, "you've got your hands in your pockets."

A woman often diets to cut down on expanses.

An Idaho potato fell in love with and married a Long Island potato. In time they had a little sweet potato. The little one grew up and in time announced to its parents that it wanted to marry Lowell Thomas. "But you can't marry Lowell Thomas. He's just a commentator," said her parents.

A lawyer was very stern about observing every facet of every law. One day he came home and found his wife walking on the ceiling.
"What do you think you're doing?" he blurted.
"Walking on the ceiling and enjoying it very much," his wife replied.
"You can't do that," he barked. "It's breaking the law of gravity."
Boom, and his wife immediately fell to the floor with a dull thud. She sat there rubbing herself and burst into angry tears. "You had to open your big mouth."

Old lady to parachutist: "I really don't know how you hang from that thing, the suspense must be terrible.
Parachutist: "No mam, it's when the suspense ain't there that its terrible."

The church service was proceeding successfully when a woman in the gallery got so interested she leaned out too far and fell over the railing. Her dress caught in a chandelier and she was suspended in mid air. The minister noticed her undignified position and thundered at the congregation: "Any person who turns around will be struck stone blind." A man in the front row whose curiosity was getting the better of him, turned to his companion and said, "I'm going to risk one eye."

Ed L.: "I have four brothers and six sisters."
Chuck M.: "Gee, you're lucky. My parents didn't have any children."

Maxine D.: "Are those eggs strictly fresh?"
Grocer to clerk: "Feel one of those eggs, George, and see if they're cool enough to sell."

George B.: "Wise men are always in doubt, only idiots are sure of their case."
John H.: "Are you sure of that?"
George B.: "Yes, positively."
